**Deer Lodge Centre Remembrance Day Ceremonies**

**Winnipeg, Manitoba | November 8, 2019**

On Monday, November 11, 2019 Deer Lodge Centre will mark Remembrance Day with a service of remembrance. The service will be held at Deer Lodge Centre, 2109 Portage Avenue, beginning at 2:15 pm is open to all residents of Deer Lodge and to the public.

The service will include several readings given by World War II Veterans who call Deer Lodge Centre home. As the number of World War II Veterans in our care decreases, this is becoming a more unique and touching aspect of the Deer Lodge Centre Remembrance Day traditions.

A wreath will also be laid to remember those who have sacrificed for our freedom.

Deer Lodge Centre (DLC) was established in 1916 to treat soldiers returning from World War I. Today, it continues to serve the changing needs of Veterans alongside members of the greater community, giving Veterans priority access to personal care beds. DLC is the largest rehabilitation and long-term care facility in Manitoba, with a bed capacity of 418. It also provides rehabilitation services, outreach programs in geriatric mental health, respiratory therapy, and the Day Hospital and Adult Day Care for cognitively impaired community clients.
