ANNUAL REPORT

TO THE COMMUNITY

DEER LODGE CENTRE
FOUNDATION

WE ARE DEER LODGE

Deer Lodge Centre has a long and proud history of caring, originally established in 1916 as a military convalescent hospital for returning WWI soldiers. In 1983, Veterans Affairs Canada transitioned Deer Lodge Centre to a provincial facility.

Today, Veterans continue to have priority access to Personal Care beds under a federal/provincial agreement, but they are treated alongside a large population of patients and residents from the broader community. Since changing from an acute general hospital to a facility caring for adult patients with complex needs as part of the Winnipeg Health Region, Deer Lodge Centre has become the largest rehabilitation and long-term care facility in Manitoba, with a bed capacity of 418.

Deer Lodge Centre Foundation was proudly established in 1990 to raise awareness and funds for programs, services, and research at Deer Lodge Centre.

We are honoured to support the broad range of programs and services offered by Deer Lodge Centre including:

INPATIENT PROGRAMS

- Rehabilitation
- Chronic Care
- Dementia Care

OUTPATIENT PROGRAMS

- PRIME
- Day Hospital
- Speech and Language Pathology for Personal Care
- Get Away Club
- Communication Devices Program
- Operational Stress Injuries Clinic
- Movement Disorder Clinic

A MESSAGE FROM NICOLE LATOURELLE, EXECUTIVE DIRECTOR

The messages I have heard most frequently this year from our donors are those of gratitude and hope. It is what we, at Deer Lodge Centre Foundation, feel too for our donors, stakeholders, and volunteers.

Throughout the year we reached out to some of our donors to say thank you for their contributions. It provided us the opportunity to connect with them but also to talk about why they give. There have been so many heartfelt conversations. So many of you have shared stories of how grateful you are for the outstanding care that your loved ones have received during their stay at Deer Lodge Centre.

The other message that has been prevalent in our chats is that of hope. The last two years have given us time to reflect on the importance of health and well-being and what that looks like. As we navigate through this pandemic, we are all hopeful to return to a time of normalcy – whatever that may look like. We have all been impacted in some way shape or form and we are all looking to the future, hoping for rekindled relationships and ability to go about our lives.

What hasn't changed though is the commitment of our donors and the outstanding care that is provided here by the amazing Deer Lodge Centre staff.

At Deer Lodge Centre Foundation, we are grateful for our donors continued support. Your contributions play a big part in excellent care provided to the patients, residents, and Veterans of Deer Lodge Centre. The increased demands for dementia care is one of our main funding commitments. The Foundation is committed to upgrading existing spaces providing our residents with more suitable environments to live out their lives with dignity and respect.

As we educate the community on the many programs and services offered, we have been so fortunate to have received donor support to complete a much-needed bariatric shower room. This will make a difference in the lives of a group of people who would otherwise be left with a feeling of undeserving of basic needs.

As we focus on the future we do so with strength and determination of a solid team. Changes and additions to the Foundation has resulted in a renewed approach to work with the community to raise much needed funds to meet the growing needs of the Centre.

The coming year will see changes to our Board of Directors and Executive with three outstanding individuals ending their terms of service: Ryan Wall, Jeff Rempel and Belinda Bigold. I cannot thank Ryan enough for his dedication and leadership over the last number of years. Both he and Jeff have played a key role in ensuring the progress of our Foundation. Belinda has been steadfast in her support of not only the Foundation but for Deer Lodge Centre as well.

This past year has given us hope to move forward to achieve more and provide more through the generosity of our valued donors and the community. It is with our deepest gratitude that we say thank you to those who see value in what we do.

Nicole LaTourelle
Executive Director | Deer Lodge Centre Foundation

A MESSAGE FROM RYAN WALL, BOARD OF DIRECTORS CHAIR

Apart from the cut and paste references to Covid-19 that my message from last year inevitably contained, I also highlighted the undercurrent of momentum that has been building at the Foundation over the last number of years. Looking back, I find myself rather pleased that it was the direction in which I was led. Whether it be funding infrastructure improvements in Tower 7, watching Nicole grow her team, or watching in wonder as major gifts and grants roll in, the last 12 months were truly a joy to watch. Seeds planted over months and years have created an atmosphere quite fun to be a part of!

For myself specifically, and I am certain the same can be said of Jeff Rempel, this is especially gratifying as my time in various active leadership roles at Deer Lodge Centre Foundation comes to an end. The individuals who make up the Deer Lodge Centre Foundation Board should be filled with gratitude and joy as they watch the results of our hard work over the years start to pay consistent dividends.

As an entity there is one specific evolution that I would like to highlight, as over the course of time it should lead to progressive changes to how the Foundation operates. One project that has been at the forefront of our focus over the last two or three years has been the modernization of our governance model. To that end we have rewritten our by-laws to incorporate three categories of voting members who will be given the ability to actively contribute to the oversight of the Foundation and our Board of Directors. Not only will this evolution modernize our Governance structure, but we are also optimistic that greater overall community engagement will result.

As alluded to above, my time as Chair has come to an end. I have learned so much over the course of my years here at the Foundation, while at the same time developing friendships and associations that will last the rest of my life.

I will share my gratitude and memories with many folks over the coming weeks and months, but I would be remiss if I didn't mention a couple of folks by name. Nicole, I want to thank you for coming along at the perfect time and for bringing your positive outlook and demeanor to the hard work of growing/maturing our foundation. Jeff, I salute your professionalism and high level of commitment, especially during the three or four times over the years when it seemed the Foundation was a second full time job for you! Belinda, apart from the various entrepreneurial skillsets you bring to the table, your passion, desire and attention to detail never went unnoticed. Finally, I want to express my gratitude to our new Board Chair Jim Kurz, and Chris Daman, our new Vice Chair. I have enjoyed getting to know you while watching both of you express your desire to serve. Thank you for helping me develop as a person and a leader over these recent years.

DEER LODGE CENTRE
CHARITY GOLF CLASSIC

SPONSORED BY FOOD FARE | JULY 2021

HOPE FOR THE FUTURE

Vaccines and the tireless work of our Healthcare Heroes meant that this year was a much more “normal” year for us around the Foundation. Though the pandemic still impacted us in many ways (and continues to do so) the lessening of restrictions meant the return of some much beloved events and the ability to reach the community in new ways.

As Deer Lodge Centre looks towards the future, we are finding new ways to impact our community in a bright and new way. Our halls are changing slowly as we lose our beloved WWII Veteran population, but the hope and brave spirit that our Veterans have brought with them through the years will never leave. They are why we do what we do, and we will carry their spirit and memory in us forever.

BARIATRIC IMPROVEMENTS

Thanks to our generous donors, the Foundation was able to fund a multitude of improvements for our bariatric residents. These residents included four specialized beds to ensure comfort and safety for residents and staff.

ONLINE 50/50 DRAWS

This year was the first year for our online 50/50 draw! Thank you to everyone who bought a ticket and congratulations to our big winners.

2021 DEER LODGE CENTRE FOUNDATION CHARITY GOLF CLASSIC PRESENTED BY FOOD FARE

The lessening of COVID-19 restrictions meant that we were able to once again host our Charity Golf Classic at Breezy Bend Golf and Country Club. 144 golfers teed off in a sell-out year on a truly fantastic day. The addition of an online auction and new sponsors meant that we were able to raise more than \$60,000!

Thank you to Cory Johnson and his team at Breezy Bend, all our generous sponsors (including our presenting sponsor, Food Fare), our tireless volunteers, and all our wonderful golfers. See you on the course in 2022!

GENEROUS GRANTS

The Foundation was honoured to accept grants from The Winnipeg Foundation (\$75,000), The Thomas Sill Foundation (\$7,500), and the Dr. Alfred E. Deacon Medical Research Foundation (\$5,000).

NEW FACES AT THE FOUNDATION

In 2021 we welcomed some new faces to the Foundation team. Karen Savage joined our team as Executive Assistant, Admin & Gift Processing, and Alicia Faucher joined as Development Coordinator. We are thrilled to have this new energy and incredible talents on our team!

DEER LODGE DANCE HALL PRESENTS THE ROARING TWENTIES

As we headed into 2021, we were so excited for our second attempt to launch a new event: Deer Lodge Dance Hall (the pandemic halted our initial efforts in 2020). Unfortunately, this gala event had to be put on hold again due to the pandemic.

The good news though was that we were able to start planning again shortly after, and we will now be hosting the event September 29, 2022! This incredible event will feature scotch tasting, dancing all night to the amazing Ron Paley Big Band, and food stations by Chef Ben Kramer. Tickets are on sale now on our website.

KEEPING SPIRITS HIGH

At the Foundation, we take our role as the unofficial ‘morale boosters’ very seriously. Understanding the impact that the COVID-19 pandemic had on Deer Lodge Centre staff we set out to try and lighten the load a bit and bring smiles to the team. By providing hot chocolate, small snacks, and gifts we helped the incredible Healthcare Heroes at DLC feel the love. We also coordinated French Fry days and ‘soup du jour’ to nourish staff and make tough days a bit easier.

UPGRADES FOR THE T7 DEMENTIA UNIT

This year our team started quietly working behind the scenes on the newly announced fundraising campaign to refurbish the T7 dementia unit. Working with the fantastic team at Gryd, we produced a video to explain and detail the project. This is a huge step forward for the foundation and we want to thank everyone who was a part of it.

THANK YOU VETERANS

REMEMBRANCE DAY AT DEER LODGE CENTRE | NOVEMBER 2021
