

DEER LODGE CENTRE
FOUNDATION

ANNUAL REPORT

TO THE COMMUNITY

A LASTING LEGACY

Deer Lodge Centre has a long and proud history of caring. Originally established in 1916 as a military convalescent hospital for returning WWI soldiers, in 1983, Veterans Affairs Canada transitioned Deer Lodge Centre to a provincial facility.

Today, Veterans continue to have priority access to Personal Care beds under a federal/provincial agreement, but they are treated alongside a large population of patients and residents from the broader community. Since changing from an acute general hospital to a facility caring for adult patients with complex needs as part of the Winnipeg Health Region, Deer Lodge Centre has become the largest rehabilitation and long-term care facility in Manitoba, with a bed capacity of 418.

Deer Lodge Centre Foundation was proudly established in 1990 to raise awareness and funds for programs, services, and research at Deer Lodge Centre.

We are honoured to support the broad range of programs and services offered by Deer Lodge Centre including:

INPATIENT PROGRAMS

- Rehabilitation
- Chronic Care
- Dementia Care

OUTPATIENT PROGRAMS

- PRIME
- Geriatric Assessment Clinic
- Speech and Language Pathology for Personal Care
- Get Away Club
- Communication Devices Program
- Operational Stress Injuries Clinic
- Movement Disorder Clinic

A MESSAGE FROM NICOLE LATOURELLE, EXECUTIVE DIRECTOR

The last twelve months have been a time of reconnecting in person with our donors and the community. It has been wonderful to see faces and hear how everyone has managed over the past three years of uncertainty.

With the continued support of our donors and community, we have been able to fund projects that will ensure Deer Lodge Centre remains at the forefront of providing outstanding programs, services, and research.

This past year we have developed a strategic plan to grow the foundation's capacity over the next three years. Our goals are to continue raising awareness and to educate the community on the wide variety of programs and services offered by Deer Lodge Centre. So many people have been impacted by Deer Lodge Centre and yet there are still so many people who are unaware of the great work that is being done within its walls. Through raising awareness, we will increase the support from the community to join our donors in what you have known for a long time.

The next three years will be focused on a renewed courtyard. The coming together of community, innovation, care, and our ongoing commitment to the residents, patients, and Veterans is reflected in the revitalization of this crucial outdoor space. The Deer Lodge Centre courtyard represents innovation in long-term health care not seen elsewhere. For all of us, residents, patients, family, and staff alike, the courtyard will touch us in ways both profound and personal.

The proposed courtyard opens new opportunities for residents, patients, and staff. A host of innovative care strategies for individuals and enhanced group activities are part of the ongoing commitment to enhanced quality of life for those that Deer Lodge Centre serves. Additionally, it offers the community to be part of this ongoing commitment and ensures that we remain at the forefront of dementia and long-term care in Manitoba.

Nicole LaTourelle
Executive Director | Deer Lodge Centre Foundation

A MESSAGE FROM JIM KURZ, BOARD OF DIRECTORS CHAIR

We extend our heartfelt gratitude for your unwavering support of the Deer Lodge Centre Foundation and Deer Lodge Centre. Your generosity has enabled us to provide life-changing healthcare to seniors and individuals in need across Manitoba.

As Chair of the Deer Lodge Centre Foundation Board of Directors, along with my dedicated colleagues, we are committed to ensuring that your contributions have a direct and meaningful impact. We prioritize funding the Centre's critical needs, such as acquiring vital medical equipment, investing in education, and enhancing patient and resident care. In the past two years, our largest commitments to date have significantly shaped our organization, highlighting the pivotal role our board's leadership plays in fulfilling our donors' vision.

We are thrilled to announce our most significant gift ever to Deer Lodge Centre. This substantial contribution will support the much-needed refurbishment of the Dementia and Bariatric Units. This achievement marks a major milestone for both the Deer Lodge Centre Foundation and Deer Lodge Centre. It is through the remarkable generosity of our donors and board members that we can strengthen our commitment to exceptional care and proudly showcase our accomplishments to the public.

Charitable donations are the lifeblood of the Deer Lodge Centre Foundation and Deer Lodge Centre, ensuring our financial health and long-term sustainability. Recognizing this, we are embarking on our inaugural capital campaign to revitalize our outdoor courtyard. This board holds immeasurable value in promoting the well-being and recovery of our patients. With your continued support, we can enhance their experience and contribute to their healing journey.

Once again, we express our sincerest gratitude for your enduring support. Together, we are making a tangible difference in the lives of those who rely on the Deer Lodge Centre for their care. Your compassion and dedication serve as an inspiration for all of us, motivating us to strive for excellence in delivering top-quality healthcare services.

Thank you for your generosity, and we eagerly anticipate continuing this transformative journey with you.

Jim Kurz
Chair | Deer Lodge Centre Foundation Board of Directors

A LASTING LEGACY

With the return of some beloved traditions comes more ways to reconnect and enjoy the wonderful people who make up our Deer Lodge community.

As always, the population at the centre of our community is our Veterans – brave men and women who sacrificed so much so that we could be free. Sadly, as the years pass the Veteran population at Deer Lodge grows smaller. We may no longer be known strictly as a Centre for Veterans, but we are continuing to provide the highest possible standard of care to our residents and patients, forever looking to our past for guidance.

Through your generous gifts, the Deer Lodge Centre Foundation continues to work to ensure the highest standard of care possible for our current Veteran population and for Manitobans in general for decades to come.

BARIATRIC IMPROVEMENTS

Your generous support continues to allow the Foundation to invest in the care of our bariatric patients and residents. This year work began on the improvements to the bariatric bathing suite, allowing an easier and safer experience for all.

2022 DEER LODGE CENTRE FOUNDATION CHARITY GOLF CLASSIC PRESENTED BY FOOD FARE

Our golfers, generous sponsors, and volunteers once again hit the links at Breezy Bend Golf and Country Club to raise money for Deer Lodge Centre. \$70,752 was raised at the sell-out event by 144 incredible golfers!

Our thanks go out to Cory Johnson and his amazing team at Breezy Bend, all of our generous sponsors (including our Presenting Sponsor, Food Fare), our tireless volunteers, and all our wonderful golfers. See you on the course again next year!

T7 DEMENTIA UNIT REFURBISHMENT

Raising money to support the refurbishment of the T7 Dementia Unit was one of our main focuses this year. We're thrilled to announce that work is officially underway! The newly developed unit will feature colour-coded hallways for better wayfinding by residents, increased accessibility and sightlines, and new activity centres to calm and engage patients. The project is expected to continue into mid-2023.

THE COURTYARD RENEWAL

Fundraising and planning continue to support the development of the Deer Lodge Centre courtyard. The refreshed space will allow residents to move around freely and without barriers and provide safe and secure access to a beautiful outdoor space for all who spend time at Deer Lodge.

WHISKEY AND WINE

In August, the wonderful people at the Winnipeg Blue Bomber Alumni Association hosted a fundraiser in support of the Deer Lodge Centre Foundation. The Whiskey and Wine Night, held at the beautiful Cargo Bar in Assiniboine Park, treated attendees to sips and samples from wine, spirits, and beer producers in Winnipeg and beyond!

DEER LODGE DANCE HALL PRESENTS THE ROARING TWENTIES

After two years of being thwarted by COVID-19, we were finally able to hold our new, signature gala event "Deer Lodge Dance Hall Presents the Roaring Twenties." The night, which featured food stations by Chef Ben Kramer, music by the Ron Paley Big Band, dance lessons, liquor tasting, and more, was a HUGE success.

We'll be welcoming guests back into Deer Lodge Centre for our next event, "Deer Lodge Dance Hall Presents: Find the Beat on Bourbon Street," on October 5, 2023.

PLANNING FOR THE FUTURE

Thanks to the generosity of donors like you, Deer Lodge Centre Foundation was able to make a huge impact in the lives of our Veterans, residents, patients, and staff.
